Ok – and I think our letter to the Gov is going out late today or tomorrow....I believe when the Sec talked with Cosmo he said the Gov would respond right away with his letter. (which is why I'm thinking on Monday...probably don't want to issue anything on a Friday afternoon)

Yes, that is my understanding.

I am going to send to Butch Antolini and explain this can fly once they send their letter, since they are going to have to link to the .pdf of the letter (which probably doesn't exist yet).

Looks great, Jake, thanks for incorporating the suggested changes and for sharing!
(My understanding is the Gov will issue his PR on the day he sends the letter – maybe Monday? Is this your understanding also?)

Thanks.
